# ***Welcome to Dance Masters of Canada,***

## ***Chapter #38***

Greetings DMC Dancers, Teachers, Families and Friends,

Welcome to the 2026 Solo Title and Performing Arts Competition. I am honoured and humbled to be the elected President for Dance Masters of Canada, and I am excited for the studios and schools that are partaking in DMC this year.

It is important that as participating members, teachers and dancers of DMC, we understand the values upon which this organization is built. DMC abides by and stays true to the philosophies held by its parent organization – Dance Masters of America. DMA has set some of the highest standards of excellence in dance education for its teachers and their students. As parents, you should be comforted and proud to know that your child is receiving dance training comparable to no other.

In addition to guaranteeing a high-standard of dance education, DMA also inspires camaraderie, support, and teamwork between studios, teachers, and students. You will not find such a collaborative and encouraging atmosphere in any other dance organization. It is for this reason that I can say that I am excited for DMC this year, as there is no telling in what new relationships, technical growth, and unique experiences our dancers will take part.

This brings me to congratulate our 2025 Solo Title Competition winners and representatives: Julia, Izzy, Kaia, Michael and Luca. Congratulations on all of your accomplishments and thank you for representing our chapter over in Orlando! A special acknowledgment to ***Luca Shakespeare*** our Mr. Dance, for successfully achieving the national title of ***Mr. Dance of America 2026***. You have made our chapter extremely proud to have you both represent us and this organization.

DMC's **PERFORMING ARTS COMPETITION (PAC) & SOLO TITLE COMPETITION** begins **FRIDAY MORNING**. All of our DMC dancers will participate in these events. Please make sure to support all of the performers on stage, in true DMA-fashion, as the talents, creativity, and hard-work from all involved studios will be highlighted.

I would like to thank Jeanine Henderson-Kitching, Valerie Saija-Moore, and the rest of the Competition Committee for organizing the event. I am also very appreciative for the support and guidance of the DMC executive team: Rebecca Brettingham-Filice, Valerie Saija-Moore, Nina Strazzulla, Sue Kirwin-Campbell, Lynn Hill, Jeanine Henderson-Kitching, Nicole Inica-Hamilton, Dustin Wood and Tiffani Beauparlant. Thank you for keeping this chapter successful. Lastly, I want to thank all participating families and teachers because it is with your support that DMC will continue to grow and prosper.

Dancers, it is very rare for people to find what they love and are good at doing it. You have been truly blessed. Make new friends, learn new things, perform your hearts out, and enjoy the weekend!

Sincerely,

***Trish Thompson-Creamer***  
President, DMC Chapter #38

# **Welcome Our Judges!**

## **Kevin Garvey**

*Kevin's love for dance began at age 4 in the studio of his late grandmother, Dotty McGill—a former National President of Dance Masters of America. That early start sparked a lifelong passion that led him to study at the Pennsylvania Governor's School for the Arts and later earn a B.A. in Dance (Jazz concentration) from Point Park University.*

*His professional career has taken him to stages across the country, including performances with Norwegian Cruise Lines, Busch Gardens Williamsburg, Neil Goldberg's Cirque Productions, and a special project with recording artist Amy Grant. While with Norwegian, Kevin also served as a Dance Captain and Production Manager, choreographing for several of their ships. He even made a television appearance on WGN America's Outsiders.*

*Kevin has been teaching since 2000, sharing his experience with the next generation of dancers. He teaches at the Dotty McGill School of Dance and serves on faculty at Grove City College, where he directs the Orchesis Dance Company and choreographs for the college's musicals.*

*A proud member and Past President of Dance Masters of Pennsylvania, and a National Area Director for Dance Masters of America. Kevin has received numerous regional and national awards for his choreography. His students have achieved top honors, including Miss Pennsylvania (Miss America Organization) and multiple Dance Masters of Pennsylvania titles.*

*Kevin continues to inspire dancers of all ages through his teaching, choreography, and leadership in the dance community.*

## **Sasha Litvak**

*Born and raised in Moscow, Russia, Sasha began his training at the Young Dancers Studio of Moscow at age five. By the time he was 13 years old, he was accepted into a 3 year professional program and went on to work with a second biggest company in Moscow, following his graduation. Soon after, Sasha accepted a scholarship with Randolph Academy for the Performing Arts in Toronto, Canada and had the opportunity to expand his practice within additional genres, to include Jazz, Hip-Hop, Tap, and Musical Theatre. During his time at Randolph Academy for the Performing Arts, Sasha also trained and competed with Vlad's Dance Company.*

*After 2 years in Canada, Sasha joined Desrosiers Dance Theatre, a contemporary dance company in Toronto, whom he represented throughout Canada and USA for the following 2 years. Sasha later accepted a position with Ontario Ballet Theatre and divided his performances with Celebrity Cruises over the following 4 seasons together.*

*At just 20 years of age, Sasha turned to teaching and quickly received multiple choreography awards. As a reflection of his work, the dancers he trained also received an array of awards and scholarships, and a handful of dancers were selected to represent the National Ballet School of Canada.*

*Using the experience he has gained, Sasha has built several successful ballet programs for competitive dance studios internationally. He is excited to turn his attention towards judging and share his knowledge and talent with the upcoming generation of dancers.*
